DENTAL SCHOOLS AND HOSPITALS THAT OFFER FULL-TIME ADVANCED EDUCATION PROGRAMS IN IMPLANT DENTISTRY

The following institutions indicated in the AAID's 2011 survey that they currently offer full-time advanced education programs in implant dentistry. Direct inquiries to the persons listed.

California

Loma Linda University, School of Dentistry, Center for Prosthodontics and Implant Dentistry, Loma Linda, CA 92350. A three-year advanced education program leading to the award of a certificate and an optional Master of Science (MS) degree. The program focuses on clinical proficiency in both the surgical placement of dental implants and the complete fabrication of implant-supported restorations. Contact: Cynthia Brienco, phone: 909-558-4980; email: implantdentistry@llu.edu. Web Address: www.llu/dentistry/implant.

Illinois

Southern Illinois University, School of Dental Medicine, 2800 College Avenue, Alton, IL 62002. A one-year program designed to cover all phases of implant dentistry. The fellows also are exposed to teaching and research. Contact: Robert L. Blackwell, DDS, director, tel: 618-474-7064.; email: rblackwell@siue.edu. Web Address: www.siue.edu/dentalmedicine.

Indiana

Indiana University, School of Dentistry, 1121 W. Michigan Street, Room S313, Indianapolis, IN 46202. A one year fellowship program. Includes all aspects of implant dentistry; didactic, laboratory and clinical (surgical and restorative) instruction; research and teaching. Contact: Fidel Barbosa, DMD, director, tel: 317-809-8384; fax: 317-278-2818; email: fbarbosa@iupui.edu. Web Address: www.iusd.iupui.edu.

Massachusetts

Harvard University, School of Dental Medicine, 188 Longwood Avenue, Boston, MA, 02215. The Advanced Graduate Program in Implantology is a two-year program leading to a certificate in implant dentistry. Applicants must have a DMD, DDS or equivalent

diploma and at least two years of advanced graduate education in a specialty of dental medicine in a specialty of dental medicine or a minimum of three years of professional experience. The department will consider MMSC or DMSc opportunities individually upon request; however, combining such degrees requires an additional time commitment beyond the two years of the Implant Certificate Program. Contact: Dr. German Gallucci, tel: 617-432-1790; e-mail: german_gallucci@hsdm.harvard.edu. Web address: <http://www/hsdm.harvard.edu/academics/programs/implantology>.

Tufts University, School of Dental Medicine, 1 Kneeland Street Boston, MA 02111. Fellowship in Implant Dentistry. Year 1 includes evaluation, treatment planning and restoration of simple to complex cases. Year 2 focuses on surgical placement of implants and site modification surgery. Contact: Robert B. Galburt, DDS, tel: 617-636-0888; email: roger.galburt@tufts.edu. Web address: <http://dental.tufts.edu>.

New York

Brookdale University Hospital Medical Center, One Brookdale Plaza, Brooklyn, NY 11212. A two-year program that integrates the principles of surgery, prosthetics and implantology to achieve state-of-the-art results in patient care. Contact: Vito A. Cardo, Jr., DDS, tel: 718-240-6282; fax: 718-240-6069; email: vcardo@brookdale.edu.

Ohio

Ohio State University, 305 West 12th Ave., Columbus, Ohio 43220. Two separate programs. One implant prosthodontics only fellowship for residents who have completed advanced prosthodontic training. One implant surgery only fellowship for residents who have completed oral and maxillofacial surgery training. Contact: Ed McGlumphy, DDS, MS, tel: 614-292-3830, fax: 614-292-9422; e-mail: mclumphy.1@osu.edu.
