2014 LLU/AAID Implant MaxiCourse®

To Register for LLU/AAID MaxiCourse contact Loma Linda University School of Dentistry Continuing Dental Education office at (909) 558-4685 or register online at dentistry.llu.edu
WHY US?

For more than 30 years, the Advanced Education Program in Implant Dentistry through the Continuing Dental Education Division has provided part-time didactic and clinical training in implant dentistry to general practitioners and specialists.

The 2014 LLU/AAID MaxiCourse® offers 300 hours of lectures, hands-on workshop sessions, live surgical demonstrations, online lectures and clinical experiences placing dental implants on participants’ patients. The LLU/AAID MaxiCourse® brings the experience of renowned instructors and clinicians from Loma Linda University and around the world.

The 10-month sessions (two days per month) also help prepare the participant to take the written portion of the AAID Associate Fellow Membership Examination. The didactic portion of the course includes information for beginners, intermediate and advanced clinicians in implant dentistry wishing to expand their knowledge in this field.

The program is designed to take the participants through a systematic learning approach of implant dentistry.

Starting with basic concepts, diagnosis, treatment planning, dental implant surgery and implant prosthodontics, the attendees have the opportunity to develop sequential treatment plans on their own patients and participate in performing surgeries with the assistance of experienced faculty and residents of the Advanced Education Program in Implant Dentistry.

The attendees also experience hands-on workshops where procedures such as cone-beam imaging analysis, simulated patient-based dental implant surgery on life-like mannequins and guided-bone regeneration procedures on cadavers and pig jaws complete the understanding of basic and advanced dental surgical procedures.

LECTURE TOPICS
- Case Preparation Guidelines
- Step by Step in Implant Prosthodontics
- Dental Photography
- Bone, Physiology and Dental Implants
- Pharmacology and Clinical Application
- Buffy Coat Platelet Rich Plasma (BC-PRP) and Platelet Rich Fibrin (PRF)
- New Strategies for Plastic Periodontal Surgery
- Alveolar-Socket Preservation
- Suturing Techniques
- Maxillary Sinus Grafts
- Advanced Dental Implant Surgery
- Provisional Restorations on Single Tooth Implant
- Anterior Implant Esthetics
- Maxillary Sinus Grafting: Patient and Management of Complications
- Planning Success in Implant Surgery
- Legal Considerations in Implant Dentistry
- Immediate Loading and Zygomas/Tilted Implants and the Application of CAD CAM in Your Surgical and Prosthoesthetic Planning
- Prosthodontic Considerations in Designing Implant Single Crowns and Fixed Partial Dentures
- Utilization of Software Designed Patient-Specific Abutments for Achieving Optimized Outcomes
- Bone and Soft Tissue Augmentation
- Dental Anesthesia
- Management of Prosthoesthetic Complications
- Clinical and Research Experience with Short Implants
- Predictable Grafting and Selection of Graft Materials in Implant Dentistry and Oral Maxillofacial Surgery
- Surgical Complications in Implant Dentistry and Anatomy Pertinent to Minimizing these Complications
- Surgical and Prosthetic Considerations for Tilted Implants
- Treatment Planning Dental Implant vs. Root Canal Therapy
- Peri-Implant Considerations
- Complications Associated with Cemented Implant Support Restorations, Their Prevention and Management
- Trouble shooting in implant dentistry

Faculty
- Jaime Lozada DDS, FAAID
- Mathew Kattadyil DDS, DMS, MS

Presenters
- Christian Johnston DDS
- John C. Cowin DDS
- Joseph Kan DDS, MS
- Rana Ghastani DDS, AAIAD
- Thomas J. Balshi DDS, PhD
- Charles J. Goodacre DDS, MDS
- Nicholas Caplan DDS
- Alan Herford DDS, MS
- Peter Nordland DDS, MD
- Shankar Iyer DDS
- Rene Ghotanian DDS, MSD
- Charles J. Goodacre DDS, MS
- Christian Johnston DDS
- Bernard Wadwani DDS
- Michael Mashini DDS
- Thomas J. Balshi DDS, PhD
- Himal Tatum DDS, MS
- M. Chappakos MD, DDS
- Chandur Wadwani DDS
- Raviw Lalani DDS
- Peter Nordland DDS, MD
- Julian Osorio DDS
- Shankar Iyer DDS
- Matthew Chiapasco DDS, MDS, MS
- Chandur Wadwani DDS
- Raviw Lalani DDS
- Peter Nordland DDS, MD
- Julian Osorio DDS
- Matthew Chiapasco DDS, MDS, MS
