

Credentialing Coach Program for Associate Fellow Candidates 2018

If you are looking for practical advice as you prepare for the Associate Fellow examination, here's a list of Associate Fellows who have volunteered to serve as coaches. The year the examination process was completed is in parenthesis () after each name. If the person attended an AAID MaxiCourse®, the year and location are *italicized*. Contact the coach of your choice.

The coach's role is to provide encouragement, support and advice based on his or her personal experience, not to prepare materials for submission.
