

American Academy of Implant Dentistry Foundation

General Fund Pledge

The Foundation's mission is to further the science of oral implantology through research and education and to support the delivery of implant care through humanitarian efforts. The donations that are made help support this mission and help grow the Foundation.

We are asking each AAID Member to pledge \$1,000. However, any contribution will be greatly appreciated. Our goal is being the leading foundation in providing implant dentistry research and education as well as improving lives through humanitarian efforts.

Yes, we want to contribute to my future and give back a small portion of what implant dentistry has given to us. Enclosed is my tax-deductible contribution to the AAID Foundation General Fund. I have checked my commitment below.
