AAIDF
AMERICAN ACADEMY OF IMPLANT DENTISTRY FOUNDATION

Campaign 2016
Wish a Smile
Program

The AAID Foundation in partnership with Dental Lifeline Network (formerly the National Foundation of Dentistry for the Handicapped), Implant and Bone Grafting corporate sponsors and volunteer dentists will provide free dental service to patients who have congenitally missing teeth and are financially disadvantaged. The name of the program is "***Wish a Smile***". The AAIDF and DLN would seek to get all needed restorative supplies and services donated in addition to implant.

Please consider making a donation to the AAID Foundation for the "***Wish a Smile***" project
